

Workshop 2: Potential Development Sites

Tuesday, March 23, 2010

6:00 PM – 8:00 PM

Van Ness Elementary School Auditorium

Agenda

- 6:00-6:05 Welcoming Remarks
- 6:05-6:20 Presentation:
- Background
 - What Has Happened So Far
 - What is Yet to Come
- 6:20-6:40 New Bachelor Enlisted Quarters (BEQ) Sites:
- Initial Candidate Sites: Identification of Advantages and Disadvantages
 - Other Sites/Solutions
- 6:40-7:40 Focused Breakout Sessions:
Planning sub-areas will be defined and focus groups formed based on those sub-areas. Participants will be asked to provide focused comments on the opportunities for initially identified potential development sites for non-BEQ Community Integrated Master Plan (CIMP) projects, particularly:
- Modifications to Identified Sites – Additions/Subtractions
 - Advantages/Disadvantages of Sites
 - Top 3 Candidate CIMP Projects Appropriate for Favorable Sites
 - “Moving Parts” such as Reuse Options for Building 20 and Alternative Sites for Displaced Existing or Planned Uses
- 7:40-7:55 Regroup:
Each focus group to report key comments to larger group
- 7:55-8:00 Overview of Workshop 3: CIMP Alternatives
Two sessions (same agenda)
- Wednesday, April 21, 2010 6:00-8:00 PM
Van Ness Elementary Auditorium
 - Thursday, April 22, 2010 8:30-10:30 AM
Eastern Market - North Hall

Check www.sedistrictcimp.com for workshop materials and other information.
